

ADAG INC: is an OOT Publication, edited and Published by Harold(Hal) Naus
1011 Barrett Ave, Chula Vista, Ca; 92011 (714) 420-4237.

ADAG is starting into its fourteen and last year of Publication, in the beginning there was a much better communication between Magazines and Gamesmasters, now it is in a stagnated state, with all the little cliques off to the side by themselves, it seems that if you don't print a magazines with alot of bullshit articles devoted to wargaming, nobody wants to trade. I no longer find any enjoyment with Diplomacy and want to end my part of the hobby as fast as possible, but I will finish my commitment to the players who have paid money for games and when that is done, then ADAG will cease, to a few it will be missed, to many it will be just another magazine that has folded and that in it self is a shame for a hobby like politics needs all views whither it be a article devoted zine, or one just purely to games.

ADD I Charles N. Reinsel (Big Brother) box 33 Leeper Pa; 16233 propose an ADAG Hal Naus memorial game, I will GM it to the first six or seven current players in ADAG- the fee will be \$6.00, this is a \$4.00 deduction from my current rate. One of the basis was a chance to play against me, but I have no plans to enter any more games, thanks anyway Charlie. I am running this game at half price as a curtesy to my Friend Hal Naus. This magazine is a strict two-three week deadline.
